Agreement for the Submission of an Article for the Journal

I wish to submit the enclosed paper entitled:

.....

for publication in this journal.

I understand that my paper may be:

- recommended for publication without any changes
- recommended for publication after major/minor corrections
- not recommended for publication

I accept the decision made accordingly.

In the event of corrections being required, I undertake to comply with the reviewers' recommendations and their suggestions for improvements, and then resubmit the paper for the double-check. In the event of resubmission, I understand that if the improvements made are not sufficient, the paper might be rejected.
